

Early Childhood Programming

Jewish activities for families with children ages 0-5

**Keshet Reading Program (partner with IAC) September 9th
10:30 - 11:15 at BJCC For 4 & 5 year olds**

For four and five year old children, we have a new program that we are partnering with IAC, the Israeli American Council. Keshet is a Hebrew library program held at the BJCC. Keshet is a national Israeli enrichment program that builds a warm, welcoming community of Israeli and Jewish Americans that share pride in their Jewish heritage and love for Israel. Through this program our four and five year olds will gain Hebrew language skills and build long lasting friendships, through cultural activities and educational programming including music, dance, drama, books, play and interactive activities.
